I am

- A Graphic Designer
- A Trained Head Chef
- A Regional Manager
- A Junior Software Developer

Oswaldo Colon

I 've

Studied the science of shapes, colours and letters to understand how they make us feel,

Spent hours experimenting with flavours and ingredients to discover the best way to execute a dish,

Lead my teams to achieve the highest goals under pressure but always smiling and calm,

Learnt to manipalute the **DOM**, Fetch from **API**s and to deploy responsive and reactive components.

Experience
